

VIAZYM CLARIF ONE

Pectolytic enzyme preparation for the clarification of white and rosé musts

CHARACTERISTICS

VIAZYM CLARIF ONE is an enzyme preparation obtained from *Aspergillus niger*, rich in pectinases (polygalacturonase, pectin methyl esterase, pectin lyase) for fast and efficient clarifications.

The absence of cinnamoyl esterase in **VIAZYM CLARIF ONE** prevents the formation of volatile phenols.

VIAZYM CLARIF ONE is available as a liquid or powder.

ENOLOGICAL PROPERTIES

- Pectin degradation
- Rapid clarification of musts
- Production of compacted lees

APPLICATION FIELD

- Clarification of white and rosé musts

APPLICATION RATES

Liquid:

Recommended application rate: 2 to 5 mL/HL according to contact duration, temperature and pH.

Powder:

Recommended application rate: 2 to 5 g/HL according to contact duration, temperature and pH.

Maximum application rate according to current European regulations: none

INSTRUCTIONS FOR USE

Dilute or dissolve **VIAZYM CLARIF ONE** in approximately 10 L of water or must.

Add to the volume to be treated.

Ensure proper homogenization.

Precaution for use:

Product for professional enological use only.

Use according to current regulations.

INGREDIENTS

Liquid:

Pectinases, KCl, potassium sorbate. Does not contain GMO.

Powder:

Pectinases, maltodextrin. Does not contain GMO.

Enzymatic activities:

Pectinases (EC 3.2.1.15) >45 000 AJDU/ml (g)

PACKAGING

10L jerrican
1 kg box

STORAGE

Liquid:

Upon reception, store unopened package at a temperature below 8°C, away from frost and light in a dry and odorless area.

Opened package: store at a temperature below 8°C, away from frost and use rapidly.
Use before the best before date (BIUB) stamped on package.

Powder:

Upon reception, store unopened package at a temperature below 25°C, away from frost and light in a dry and odorless area. After harvest, store at a temperature below 8°C.

Opened package: store at a temperature below 8°C, away from frost and use rapidly.
Use before the best before date (BIUB) stamped on package.
